Announcement

It is a pleasure to send you this catalog of our Scotch Shorthorn Sale. It is a greater pleasure to extend to you a cordial invitation to be with us on the day of our sale in order that you may inspect our breeding establishment and note the class of cattle being produced.

We feel that our efforts have been appreciated by the Shorthorn breeding fraternity. The herd was established along the most constructive lines, on a foundation that was generally accepted as being the best. How well the females in our herd have mated with the bull, Imp. Gartly Lansdowne, we are more than willing to let the public judge on sale day.

Our sale offering has been selected with the prospective buyer in mind and is made up of the class of cattle which are responsible for our modest success in the Shorthorn business. We feel that they are the kind upon which other successful herds may be founded or well established herds strengthened.

We urge you to study the breeding of our offering as represented in this catalog. As for the individual merit of the cattle we only ask that you read the statements made by representatives of the different live stock journals. These men know their business and their opinions are unbiased and will be dependable.

We will appreciate your presence on June 27th and if you are interested in good Shorthorns we trust that the day spent with us will not be regretted.

MARSHALL STOCK FARM,
"The Home of Imp. Gartly Lansdowne", Ollie, Iowa.

TERMS AND CONDITIONS

All animals of breeding age are guaranteed breeders. Females in calf or with calf at foot are considered breeders, without further guarantee. All untried animals are guaranteed to be without known defects, but nothing further. All bulls guaranteed breeders if properly cared for and not allowed to run with herd. Animals of breeding age failing to breed after a trial of six months may be returned to the farm of the seller, if in good condition. The seller reserves the right for six months to try said animal, and, if it proves a breeder, to return it to the station of buyer at his expense. If the animal proves a non-breeder, a satisfactory exchange will be made, or purchase price refunded.

A transfer certificate of registry in the American Shorthorn Herd Book will be furnished for every animal, with the exception of calves at side or in dam, and there will be furnished with these a pedigree in the application form, ready for registry.

Terms—Cash—All stock will be loaded on cars after sale without trouble to purchaser. Buyers risk after bid off. All cattle are Federal tested to conform with different state requirements, and are sold with 60-day retest privilege provided they are kept segregated.

Austioneers—Kraschel, Milne, Frederick, McNurlen.

Mail bids may be sent to any of the Auctioneers or Field men carrying my add.

On June 26 is the Hague & Girton Dispersion, which is 12 miles southeast of Ollie. Look on back of Catalog for location of Ollie.

OLLIE SAVINGS BANK, Clerk.

To Bugers of Good Shorthorns:

This is a desirable offering, one that is rich in merit, and pedigree. The far seeing man will not buy seedstock unless there is present a combination of these two necessary elements. The Shorthorns to sell on this occasion from Marshall Stock Farms are of pleasing merit, and are of the kind that have been carefully bred thru generations of constructive effort. No foundation for a herd of Shorthorns was laid with more care than this collection.

Anyone who is at all familiar with the care exercised by Mr. Marshall in buying foundation material will agree with this statement.

The gathering together of a splendid lineup of females, and heading it with one of the best bulls that money could buy furnished a setting for a herd whose worth became immediately known. The success of any herd hinges around the use of a good bull. In this case, Gartly Landsdowne is the bull. There is enough of proved ancestry back of this bull to warrant any statement as to his fitness for the place he occupies.

Gartly Landsdowne is a bull of ample scale, fine balance, and with deep, thick, mellow flesh. His get are patterned after him.

The facts that he breeds true to type reveals his real worth as a sire. It will pay well to secure this bull's blood. There is a copious flow of it in this consignment. The splendid heifers by him, the fine contingent of young bulls, the splendid matrons with his calves at side or in calf to him is surely a wonderful opportunity. Embrace this opportunity. There is everything back of this herd to insure the success of its productions. Its owner has youth and enthusiasm, and his desire is to further improve the breed. He can do it. The herd is one of America's best, and the farm upon which it is maintained is a practical breeding plant. Make up your mind to be present at this good sale.

FRANCIS T. MARTIN of
The Breeder's Gazette.

A Choice Draft from a Well Conducted Herd

The history of the Marshall herd reveals constructiveness in every detail. A foundation herd of excellent individuals backed up by the choicest of Scotch blood was selected. From the breed's greatest nurseries came daughters of world famous sires, chosen with due consideration for their producing records. There were Claras, Rosewoods, Augustas, Mayflowers, Duchess of Glosters and members of the other choice Scotch tribes which had gained fame as prolific producers of show ring types.

After assembling the permanent breeding herd, tempting offers of extremely high prices failed to swerve the owner to release them. They were assembled for the definite purpose of mating with the great Imp. Gartly Lansdowne, a bull famous in both the old world and the new.

This mating program has been conducted with all the success which could have been desired, with the result that a beautiful group of his sons and daughters are now ready to be released to the trade. The man who wishes to improve his herd may attend this sale and after inspection of the get of Imp. Gartly Lansdowne will have full assurance that his sons and daughters and the great breeding matrons carrying his service will be perfect for foundation purposes.

The offering throughout is one worthy of strong comment. All are royally bred. All are beautiful individuals. All have good records of performance. And all are backed by a business-like Shorthorn breeder who has an enviable record for integrity and fair dealing. If I can influence a man to lay the foundation for a new herd or to strengthen an already well established herd with the kind of cattle being offered in the Marshall sale, I will feel that I have rendered him a real service—Hal Longley of The Shorthorn World.

For reference only.

Imported Gartly Lansdowne has proved one of the greatest stock bulls of his day. His dam, Mary Anne of Lancaster 46th, is also the dam of Gartly Landseer the champion bull at the Cupar Highland Show. She is also the granddam of Gartly Lancer, grand champion of the 1919 English Royal Show, that has the record as the highest priced bull ever sold in Britain, having been sold at Penrith to Mr. A. J. Marshall for 4,750 guineas for shipment to the Argentines.

Proud Wanderer 122249, sire of Gartly Lansdowne, sold for export to the Argentines for 1,000 guineas. His sire, Proud Ator, was the 2d prize bull at the Highland Society's Show and his dam was by the noted bull, Pride of Avon, and was a full sister to a bull named Avondale that was second at the English Royal and was sold for shipment to the Argentines for 3,000 guineas. Thus it will be seen that Gartly Lansdowne is closely related to the best that has been produced in Britain.
